MEMORANDUM FOR: [REDACTED]

SUBJECT : NATO Imagery Evaluation Symposium,
[REDACTED]

25X1

1. The concept of the symposium which [REDACTED] is planning as described in his letter, is certainly right on target for your specific activities and for the over-all AES support of NPIC and related activities.

25X1

2. I would certainly endorse your attendance at this symposium if it is administratively/budgetarily possible.
